This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of school accountability. The data presented in this report are reported for the 2007-08 school year, except the School Finances and School Completion data that are reported for the 2006-07 school year. For additional information about the school, parents and community members should review the entire SARC or contact the school principal or the district office.

About This School

During the 2007 - 2008 school year, Alamo Elementary School served a student population of 576 students in kindergarten – 6th grades in 25 regular education classrooms, one district Special Day Class, and one county special day class. The staff included 31 certificated teachers, including the special day class teacher, resource specialist, physical education specialist, computer specialist and one administrator. The support staff included the part-time school nurse, speech therapist, psychologist, five part-time band teachers, two secretaries, a library technician, three special education instructional assistants, three custodians, two cafeteria assistants, and four noon time yard supervisors. Kindergarten through second grade classrooms had no more than twenty students per teacher and third through sixth grade classrooms averaged thirty one students per teacher. All teachers have appropriate credentials for their assignments, and qualified substitutes teachers are provided by the district when necessary.

School Facilities

Summary of Most Recent Site Inspection

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Maintenance Department Office, 353

Brown Street, Vacaville, CA, and at the Facilities Department Office at 343 Brown Street, Vacaville, CA.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

2007-08 School Accountability Report Card Report (SARC)

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available at the [SARC](#) Web site. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

[DataQuest](#) is an online data tool that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP]), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2007-08)

This section provides information about the school's goals and programs.

The Mission of Alamo School: The staff shares a commitment to work closely with the parents to prepare Alamo students to be compassionate, thinking, creative, and responsible citizens of the global society in the 21st Century. We support the District's Strategic Plan: Making a Difference for the Students of Vacaville. The philosophy supporting Alamo's total educational program consists of seven principles:

1. The image of Alamo School begins with us!
2. A strong instructional program
3. Positive, nurturing discipline
4. Safe, clean, attractive environment
5. Working together as a TEAM—students, parents, staff, community
6. Caring + Sharing + Learning

Be Safe! Be Respectful! Be Responsible! Be a Peace Builder!

Opportunities for Parental Involvement (School Year 2007-08)

This section provides information about opportunities for parents to become involved with school activities.

Alamo School is a hub of activity with an abundance of parent involvement. The partnership of school and home is evident everywhere at Alamo. The PTA meets monthly to discuss upcoming activities, projects and fundraisers. The school is beautifully maintained and landscaped through the effort of fundraisers and an annual Fix It Day. The custodial and maintenance staff works with the PTA to support these projects. Classroom volunteers are not only welcomed but relied upon to help the teachers with many activities. These PTA sponsored events and fundraisers include the Fall Festival, Ice Cream Social, Book Fair, Family Nights, Tasty Tuesdays, SCRIP, assemblies, field trips, Triathlon, Valentine

Balloons, Fall Fundraiser, and the purchase of classroom supplies.

III. School Climate

School Safety Plan (School Year 2007-08)

This section provides information about the school's comprehensive safety plan.

Alamo has an active Safe School Committee that successfully implements and continually updates the Safe School Plan. During the 2007-2008 school year, the major objectives accomplished included:

1. Continue use of check-in plan for school volunteers and visitors.
2. Reinforce arrival/departure safety procedures with students, parents and staff.
3. Monitor the traffic in front of the school at dismissal to keep traffic moving for the safety of the students.
4. Assure Accelerated Reader library time throughout the school day.
5. Highlight and expand the "Peace Pats" program. Big Spin monthly at lunchtime.
6. Prominently display and reinforce Alamo expectations of positive student behavior and academic standards. Provide additional assemblies that focus on constructive ways to solve a problem.
7. Update Earthquake/Disaster Backpacks and District Response and Crisis Intervention Plans. Inservice teachers at staff meetings on Crisis Response plans. Have Safety committee meet with district personnel and local law enforcement agency to discuss staff concerns.
8. Peace Coaches meet monthly to discuss playground safety issues.
9. Provide speakers to inspire and motivate students in achieving goals and dreams.
10. Increase parent and community communication with school calendar, newspaper articles, and pertinent information included in Wednesday folders.

Developed new school wide procedures for behavior and academic expectations and standards.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District

IV. School Facilities

Facility Conditions and Planned Improvements (School Year 2008-09)

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Age of School Buildings

Alamo Elementary School has 17 permanent and 10 portable classrooms, a multipurpose room, a library, and an administration building. The main campus was originally built in 1955 and 1963. Wing G addition was added in 2001. Three portable classrooms were added in 1996 for Class Size Reduction. Portable classrooms have been added over the years to accommodate growth.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The district follows cleaning standards for all schools in the district. A summary of these standards is available at the Maintenance Department at 353 Brown Street, Vacaville, CA. The Custodial Supervisor works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2007/08 school year, the district has budgeted approximately \$550,000.00 for the deferred maintenance program. This represents 1/2 percent of the district's general fund budget. In addition, the District receives a dollar-for-dollar State match, which would total approximately another \$550,000.00, for a total Deferred Maintenance Program budget of \$1,100,000.00 for the District.

Deferred Maintenance Projects (if applicable)

The Governing Board did not approve any project at this school for the 2007/08 school year. The district's complete deferred maintenance plan is available at the district office at 751 School Street and at the Maintenance Department Office at 353 Brown Street..

Modernization Projects (if applicable)

In 2001/02, local bond funds from Measure V and state matching funds were used to provide substantial renovation on the school. Work was completed in 2003. The completed work included: Install new heating, air conditioning and ventilation system; upgrade the electrical service capacity and install additional electrical outlets in classrooms; provide energy-efficient lighting; renovate classroom interiors including walls, floors, ceiling tiles; upgrade door handles to improve student and teacher safety and for disabled accessibility; install running water and sinks in portable classrooms; add new classroom wing; upgrade teachers' workroom; replace lunch tables in multi-purpose room; complete data network wiring as needed; install new telephone system in classrooms for security.

In 2007/08, a project to install new accessible surfacing under the playground equipment was completed.

New School Construction Projects (if applicable)

As part of the Measure V local bond program, Wing G was added to the school. This included 3,840 square feet of new classrooms, pull-out rooms, offices and meeting rooms, student restrooms and custodial room.

Percent of Budget for Administrative Salaries	5.6 %	5.2 %

IX. Student Performance

California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through

11; and history-social science in grades 8, and 10 through 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found on the [Standardized Testing and Reporting \(STAR\) Results](#) Web page.

CST Results for All Students - Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08

History-Social Science				41	36	39	33	33	36

Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

CST Results by Student Group – Most Recent Year

This table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

California Physical Fitness Test Results (School Year 2007-08)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting the healthy fitness zone on all six fitness standards for the most recent testing

period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the [Physical Fitness Testing](#) Web page.

Grade Level	Percent of Students Meeting Healthy Fitness Zones
5	25.9

Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the [API](#) Web page.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. These ranks are published when the Base API is released each March. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2005	2006	2007
Statewide	7	8	8
Similar Schools	6	6	9

- "N/A" means a number is not applicable or not available due to missing data.
- "**" means this API is calculated for a small school, defined as having between 11 and 99 valid Standardized Testing and Reporting (STAR) Program test scores included in the API. The API is asterisked if the school was small either in 2007 or 2008. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted.
- "A" means the school or subgroups scored at or above the statewide performance target of 800 in 2008.
- "B" 6051288
- "C" means the school had significant demographic changes and will not have any growth or target information.
- "D" means this is either an LEA, an Alternative Schools Accountability Model (ASAM) school, or a special education school. Target information is not applicable to LEAs, ASAM schools, or special education schools.
- "E" indicates this school was an ASAM school in the 2007 Base API Report and has no target information even though the school is no longer an ASAM school.

API Changes by Student Group – Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

Group	Actual API Change			Growth API Score
	2005-06	2006-07	2007-08	2008
All Students at the School	26	17	10	857
African American				
American Indian or Alaska Native				
Asian				

Filipino				
Hispanic or Latino	23	47	7	810
Pacific Islander				
White (not Hispanic)	21	20	5	871
Socioeconomically Disadvantaged	54	15	5	790
English Learners				
Students with Disabilities				

- "N/A"** means a number is not applicable or not available due to missing data.
- "**"** means this API is calculated for a small school, defined as having between 11 and 99 valid Standardized Testing and Reporting (STAR) Program test scores included in the API. The API is asterisked if the school was small either in 2007 or 2008. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted.
- "A"** means the school or subgroups scored at or above the statewide performance target of 800 in 2008.
- "B"** means the school did not have a valid 2007 Base API and will not have any growth or target information.
- "C"** means the school had significant demographic changes and will not have any growth or target information.
- "D"** means this is either an LEA, an Alternative Schools Accountability Model (ASAM) school, or a special education school. Target information is not applicable to LEAs, ASAM schools, or special education schools.
- "E"** indicates this school was an ASAM school in the 2007 Base API Report and has no target information even though the school is no longer an ASAM school.

Adequate Yearly Progress

The federal NCLB act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the [AYP](#) Web page.

AYP Overall and by Criteria (School Year 2007-08)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	Yes	No
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	No
Percent Proficient - Mathematics	Yes	No
API	Yes	Yes
Graduation Rate	N/A	Yes

Federal Intervention Program (School Year 2008-09)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the [AYP](#) Web page.

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2004-2005
Year in Program Improvement		Year 3
Number of Schools Currently in Program Improvement	N/A	2
Percent of Schools Currently in Program Improvement	N/A	11.8

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Vacaville Unified School District (VUSD) provides professional development opportunities for teachers at all stages of their careers. Peer Assistance and Review (PAR), Beginning Teacher Support and Assessment (BTSA), and Title II of the No Child Left Behind Act, SB 472 and AB 430 are the primary funding sources.

BTSA is a two-year program of induction. Through a series of after school meetings, peer observations, and release time meetings, new teachers learn about The California Standards for the Teaching Profession. BTSA is essential for new teachers in order to complete their credential. Our district is a member of the Yolo/Solano BTSA consortium which provides mentoring and support for all new teachers.

VUSD has adopted a standards-based Reading Language Arts and Mathematics series for K-6. SB 472 funds have been utilized to train many VUSD teachers in the areas of reading and mathematics. Elementary principals have received training in reading due to an AB 430 grant. Other areas of professional development include: Accelerated Reader training, technology training, English language development instruction, First Aid and CPR, family life training, substitute teacher training sessions, differentiated instruction, and training for Special Education teachers.

Many teachers serve on district CAMP committees. These collaborative groups work together to discuss best practices, identify essential standards and create effective pacing guides and assessments for student success and district-wide consistency. VUSD Staff Development opportunities are driven by a combination of State Content Standards, student achievement data, input from PAR and BTSA and staff surveys.

All teachers participate in site-based professional development via collaborative planning time once per week. This time is utilized to discuss topics related to student achievement.

Instructional assistants who work with students are invited to attend after school sessions in any subject area that applies to their job requirements. Clerical staff receives technology in-services in areas of job requirements, such as: attendance programs, library inventories, word processing and email.

For the past several years, Vacaville Unified School District used one full SBCP day for professional development. This has taken place in the fall, before school starts. Other professional development opportunities take place during summer, on release time, after school, evenings and weekends.
