

Vacaville High School Parent Teacher Club (VHS PTC)

2010-2011 Membership and Volunteer Information

The objective of the VHS PTC is to support Vacaville High School, to encourage communication between parents and staff of VHS, to raise and administer funds, and to provide support for the educational programs.

We are the support group for VHS, providing volunteers at school functions, offering scholarships to graduating seniors, supplementing nurse's supplies, and acting as an adjunct support to the school.

We encourage all parents, teachers, students, and friends of Vacaville High School to join the PTC and become involved in the support of the school.

Your involvement, at any level, is important and welcome. Too busy to commit? Check out our "No Work, Don't Call Me" option below!
