

Novel Knowledge

for 3rd Graders

The Novel Knowledge reading incentive program in Vacaville Unified is open to students in grades 4-6. To build interest in the program for students in earlier grade levels, questions were written for the books below so that teachers or parent volunteers can let younger students participate in their own version of Novel Knowledge. Unlike the books for the older grades, the book list and questions for grade 3 are reused each year.

For questions about the Novel Knowledge program contact GATE Coordinator JoAnne Bucsko at JBucsko@Vacavilleusd.org

Because of Winn-Dixie by Kate DiCamillo

Martin's Mice by Dick King-Smith

Who Was Helen Keller? by Gary Thompson

Wishes, Kisses and Pigs by Betsy Hearne
